In re:
City of Detroit, Michigan,

Chapter 9
Case No. 13-53846
Hon. Steven W. Rhodes

Order Quashing Subpoena (Dkt. #7670)

Gloria Jones has issued a subpoena to MSNBC and Chris Hayes. (Dkt. #7670) However, the Court previously denied her motion to participate in the hearing on confirmation (Dkt. ##6871 and 6896), as well as her amended motion (Dkt. ##6929 and 7259), and her motion for reconsideration (Dkt. ##7280 and 7387). Accordingly, the subpoena should be quashed.

It is so ordered.
